

WE HAVE A NEW RESEARCH SERVICE

If you know someone who would love to know their family history but is unable to do the research, we can build their tree for them.

A professional genealogist will charge fees at commercial rates, but we have two packages available at a very reasonable price of \$50 or \$100.

HOW IT WORKS

Our researcher will meet the client in person if local, or liaise by email/phone if further afield, to discuss the tree, free of charge.

Using facts and documents they supply, we will build their tree for them, filling in the gaps where we can.

This is not confined to the Shoalhaven as our research centre has worldwide access and records.

The resulting report will be presented in book form and postage if required will be an additional cost.

For more information contact the secretary at sfhssecretary@shoalhaven.net.au or phone 0404 073 794
